× **Adobe Exchange Partner ACCELERATE**

Drive more sales with partnerships using impact.com's app for Adobe Commerce

Managing a thriving partnerships program takes more than just getting partners to sign on the dotted line. It requires you to manage, optimize, and scale partnerships throughout their entire life cycle.

Now you can — with impact.com's app for Adobe Commerce, where you gain access to an end-to-end partnership management platform that automates and manages your partnerships at every stage. The platform makes it easy to find new partners, track their efforts, and reward them for driving sales to your business.

impact.com's app for Adobe Commerce

The app integrates with impact.com's platform in just minutes, with little-to-no developer skills required.

Use impact.com's app for Adobe Commerce to expand your program and efficiently scale every type of partnership:
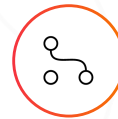

Affiliates   Ambassadors   Sponsorships   Mobile apps

Premium publishers, news, and content   Social influencers   Charities and nonprofits   Strategic B2B partners

---

Optimize your partnerships

Uncover a partner's unique strengths and identify which paths drive the highest conversions.
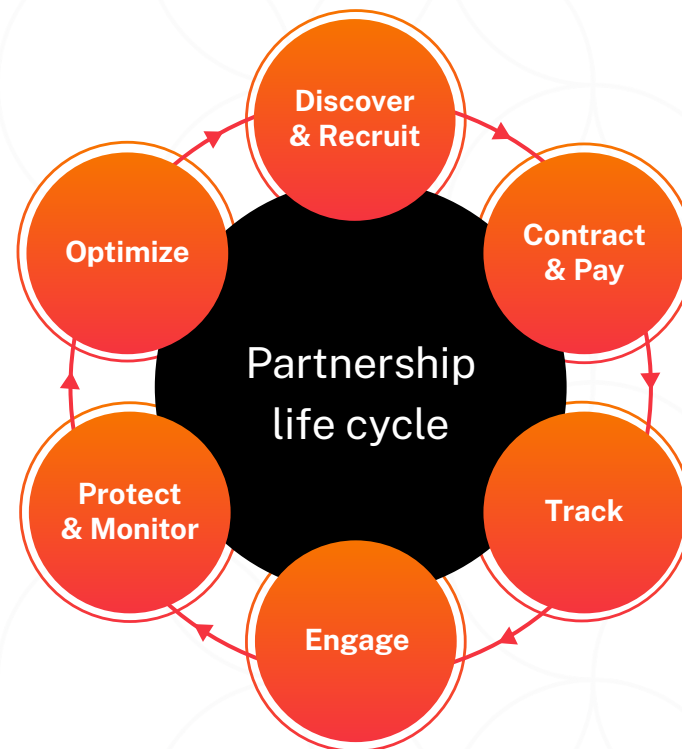

Automate reversals

Automatically reverse partner commissions associated with returned orders — and save time and money.

Access SKU-level data

Easily import your product catalog into impact.com and dynamically align payouts to SKU-level value.
