

impact.com + Chargebee: Drive more subscriptions with partnerships

Driving subscriptions for your business can be hard. But it's even harder when you have to cobble together a patchwork of solutions to handle partner recruitment, contracting, payments, and tracking.

That's where impact.com's integration for Chargebee comes in. By integrating with impact.com's end-to-end partnership management platform, you can automate and manage partnerships at every stage. Find new partners, track their efforts, and reward them for driving subscriptions for your business.

Get your program up and running fast

The Chargebee impact.com app lets you easily integrate with impact.com – without relying on developers for a clunky custom build.

Eliminate operational overhead

Legal doesn't have to review new partner contracts. Centralize partner recruitment, performance tracking and payments in one platform.

Set up recurring partner payments

When your partners generate monthly subscriptions for your business, you can pay them on a recurring basis through impact.com.

The impact.com platform accelerates growth

Use the **impact.com Chargebee app** to expand your program and scale every partnership partnership.

The word “partner” can mean a lot of things in the SaaS world, so here’s how we’re using it. These are the major partner types that refer business to software companies on our platform today.
