

Impact + Sideqik: Revolutionize the Way You Contract, Track, and Pay

Influencer marketing has such limitless growth potential that many brands and agencies have been willing to accept some downsides: basic terms, inexact ROI, and labor-intensive payment processing. But with Impact's Partnership Cloud, there are only upsides — Sideqik users can shake all doubts and drudgery from their influencer marketing campaigns.

Sideqik users can leverage Impact's partnership automation technology to rock their returns, seamlessly managing their campaigns' contracting, tracking, and commissioning.

Use the joint power of the Partnership Cloud + Sideqik to do it all:

- Discover and Recruit
- Contract and Pay
- Track
- Engage
- Protect and Monitor
- Optimize
