

Accelerate your revenue growth on Amazon with impact.com Seller

Maximize your marketing potential with the leading partnership management platform — now enhanced with specialized tools for Amazon Sellers to partner directly with affiliates and creators.

Easily manage your affiliate and influencer programs across both your direct-to-consumer website and Amazon, all from one centralized platform. With seamless tracking, detailed reporting, and optimization features, you can make informed, data-driven decisions that drive success in every campaign.

Access 200K+ trusted partners in our Marketplace

Tap into impact.com's marketplace of 200K+ affiliates, creators, and content publishers to leverage a diverse range of trusted voices and connect with consumers in the most meaningful way possible.

Get a clear view into how your program is performing

Gain valuable insights with ready-to-use reports that provide full transparency into your Amazon partner program's performance. Use this data to refine your strategy, drive efficiency, and accelerate growth.

Reward partners as you see fit

Take full control with our flexible contracting functionality, allowing you to set custom commission rates and adjust payouts based on various factors — giving you the freedom to make changes whenever you need.

Seamlessly integrated into the world's leading partnership marketing platform

Setup tracking with our one-click integration

Effortlessly connect your Amazon Seller Central account with our one-click Amazon Attribution API integration, enabling seamless sales tracking and attribution — no developers or complex testing needed.

Upload your ASINs automatically

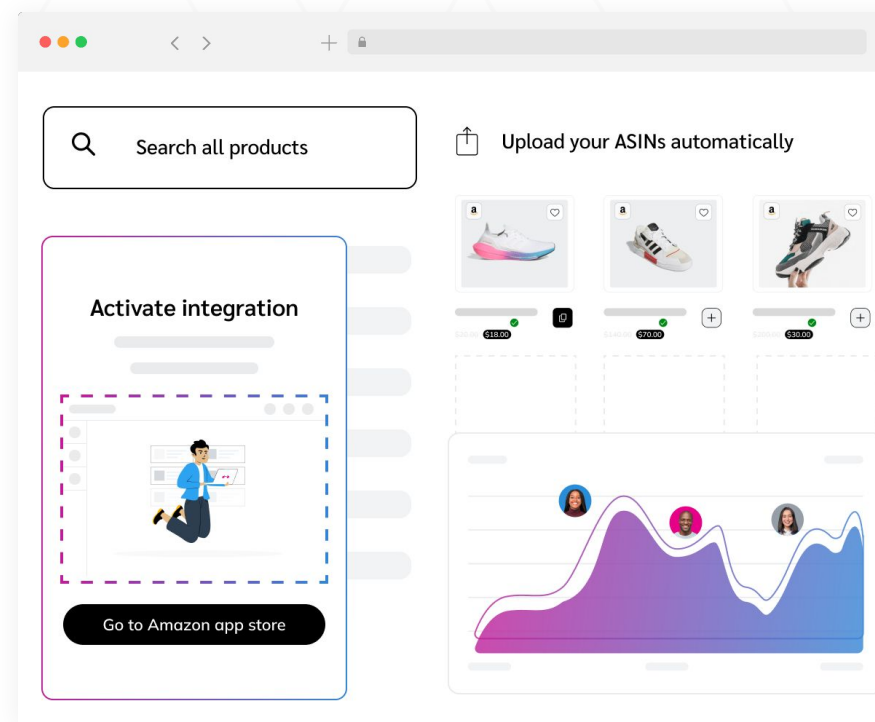

Streamline link discovery for your partners with automated Amazon product catalog ingestion, making it simple to access tracking links for your products.

Keep your partners engaged

Empower your partners with easy access to link-generation tools, approved creatives, up-to-date offers, and product catalogs. Plus, automated outreach workflows to keep them informed, engaged, and aligned with your brand.

Pay partners quickly, accurately, and transparently

Make it simple for your publishers to manage earnings, paperwork, and cash flow. With impact.com's global clearing house, automate invoice generation, tax processing, currency management, and payments seamlessly.

Tap into Amazon's Brand Referral Bonus

Boost your earnings with a bonus averaging 10% of eligible sales by driving traffic from non-Amazon sources (subject to eligibility in Amazon's Brand Referral Bonus program).
