

# Impact Amplify

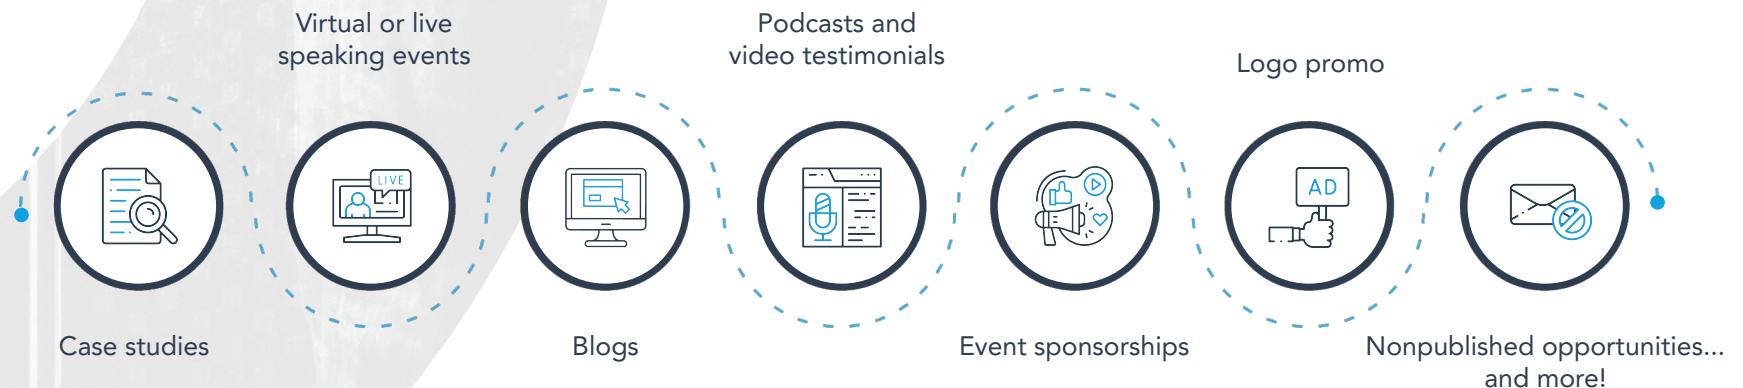

## Turn up the volume on your partnership story

As one of an elite group of Impact clients and partners, you're eligible for exclusive co-marketing opportunities that bring your brand, your partnership program, and your professional accomplishments into the spotlight. Impact Amplify opens up unique channels for you to reach new audiences, tell your brand story, generate leads, and germinate new partnerships.

Best of all, our team of marketing experts does all the heavy lifting; you're in control, we do the legwork. You also choose the channels, from co-branded press opportunities to joint speaking engagements, webinars, participation in private networking events, and much more.

## Co-marketing opportunities

Co-marketing activities are amplified through the strategic use of demand generation, social, press, and event marketing tactics.

# Impact Amplify: You're in good company
